BOARD OF TRUSTEES

-

Part <u>54</u>. Services. Internal Auditing auditing shall be an advocate to improve and maintain accountability and promote the proper management oversight **system**office, and college and university programs and activities. Internal difting auditing is intended to complement, and not replace, other services available either on campuses osystemoffice. It has particular expertise in topics such as auditing, accounting, internal cofitmats; ial risk management, and information technology. When dealing with matters outside its expertise, Internalinternal Auditing auditing shall seek the assistanceather experts in the organization or obtain external consultative services ary. It offers the following types of services in order to assist Breardboard of Trustees Chancellor chancellor and presidents in accomplishing their objectives and in improving operations

- a. Subpart A. Assurance Service consist of examinations desigd to inform interested stakeholders about the reliability and accuracy of information and information systems. Systemwide topics may be selected by formal action of beard of Trustees Internal Aguditing may also enter into agreements to conduct abstudies requested by the Chancellorchancellor or a president. Studies may focus on (1) compliance with board policies, laws, and regulations, (2) reliability of information, (3) economy and efficiency of operations, (4) effectiveness in meetingl grand objectives, (5) design and effectiveness of information technology security controls, or (6) safeguarding of assets. Internal Aguditing shall coordinate all auditelated activities conducted by the Legislative Auditor and external ditors within MnSCU. Internal Aguditing must follow-up on audit findings generated by either internal or external agodits monitor and ensure that accepted theorisnot taking action findings are satisfactorily resolved.
- b. <u>Subpart B.</u> Fraud Inquiry and Investigation Support Services are intended to augment the efforts of colleges and universities to ensure that evidence of fraud or dishonest acts is investigated fessionally and promptly. Internauditing auditing shall look teconsult with legal counselor leadership on any issues that may involve criminal action or reveal potential legal exposure ternal Auditing shall notifylt is recognized that these must be ported to the Legislative Legislative Auditor auditor as required by state law.
- c. <u>Subpart C.</u> Professional Adviceshall promote an understanding and implementation of state laws and rules, federal laws and regulations, board policiessand procedures, professional accounting and auditing standards, and best practices in management organizational development Advice may be communicated in response to questions for which Internal Auditing has expertise, through availability of astronauticols, by broadly relaying or publicizing information on selected topics, or by offering workshops,

Part 65. Authority and Responsibilities. InternalAuditing auditing has the authority to audit all parts of MnSCU the system and shall bes granted full and complete access to all MnSCU system records (manual or electronic) physical properties and personnel relevant to any service provided according to this policy. Access also shall must be granted without limitaiton limitation, by contract to relevant records of all nSCU system related foundation agreements, contractes, and partners ther written agreements the internal audit activity shall be free from interference in determining the scope of work and communicating results. Documents and information given to internal auditors shall be handled in compliance with provisions of the Minnesota Government Data Practices and the applicable law

Internal Auditing auditing shall have no direct authority over or responsibility for any of the activities or operation they it reviews. Unless extenuating circumstances dictate, internal auditors should not develop aimoplement procedures, prepare records or engage in activities which would normally be reviewed by ternal internal Auditing auditing. Internal Auditing auditing may review proposed systems and processes prior to implementation to assure adequate controls will exist.
